DEDICATION •

She was a tall, thin woman with a slightly awkward walk. She wore an old-fashioned sachet fragrance, reminiscent of delicate dried flowers. Her pensive face and unhurried manner made her seem a part of some bygone age of quiet, gentle people. Her smile was tinged with sadness. At times she looked almost formidable. Her whole being radiated a spirit one instinctively knew to be indomitable. She was at once curiously fragile and courageously independent. She was a teacher, and from all appearances her subject was Latin.

Mary Walker did have a Latin class. Some of us were her students. We know that she believed a man is poor if his mind is not enriched by some phrase or story of lasting truth and beauty which sheds light on the past. She was an outstanding Latin teacher; but the subject Mary Walker taught best was not Latin. Her classroom had no walls. Her students were not only boys and girls but men and women as well. Her subject was Life. She lived and died a symbol of what one person can do in a lifetime if he only has faith and tries.

The thread of her life is entangled with the students of Isaac Litton. If we look closely at the seams in the cloth of our high school life, we can find the stitches she sewed there. She is gone. We did not thank her. We can dedicate a thousand books to her memory and never change that fact. But in dedicating this 1963 LITTONIAN to her, we can show the veneration done to her worth by the hearts of this senior class.

Such Ordinary Things . . . A TEXT BOOK . . .

MEMORIES.

As the year ends we may pause, look back, and remember the many events that made up the wonderful 1962-63 school year.

Each day was filled with little things . . . carrying fifteen pounds of books to all of your classes before new lockers were installed . . . the locker door that wouldn't open . . . the hours of note-taking leading up to the final blow . . . the nights you had to work at your part-time job or practice basketball or go to Junior Achievement . . . and the prospect of three or four tests the next day . . . being late to homeroom because you overslept or stopped to "chat" with friends . . . facing Mr. Foster with his meter stick . . . failing the timed writing for your weekly grade in typing . . . overdue library books.

Students noticed the new fads around school . . . "tennie pumps" and crew socks . . . culottes . . . wild plaid kilts and knee socks . . . suede shifts . . . wigs and false pig tails . . . strains of the overworked phrases "forget it" and "take it away" ringing throughout the halls.

Then there are always the big moments to remember . . . the homecoming queen and the dignity of her court . . . the Miss Nashville High Beauty Contest and our lovely candidate, Pam Carr. The senior class of '63 presented their play, *The Magic Touch,* and anticipated the prom, distribution of the LITTONIAN, "Awards Day," and finally commencement, not the end, but the beginning.

• ADMINISTRATION

Mr. Foster, our principal, is always on hand to guide us in time of distress or during our accomplishments. He is a fine Christian man who is looked upon by every Littonite as a wonderful credit to the school. It is he who has made our high school days seem much brighter and who has helped us to understand the hardships ahead of us in the outside world.

Mrs. Bess Wright, our school secretary, has acquired many friends by understanding all the students' problems. Her job is certainly not an easy one and requires the knowledge of knowing how to keep things running smoothly. She is certainly an asset to the school.

OFFICE STAFF

Row 1: Ellen Hamlett, Mary V. Dean, Kay Bennett, Carolgene Page, Mary Kay Hines, Juan Reynolds, Neva Wherry, Jackie Smith, Ruth Gentry, Kathi Hodge. *Row 2:* Jill Hudson, Judy Burns, Dave Edens, James McCulley, Paul Goldberg, Marty Reese, Johnny Cline. *Absent:* Cheryl Friedmann.

Answer the telephone! Take this note to Miss Nelson! Show the new student where to find her classes. Time and again the members of the office staff are called on to perform these and many other necessary tasks, such as running errands for Mrs. Wright, typing, aiding visitors, or filling out transcripts after mid-term exams.

Their willingness to help has greatly lessened the work of the secretary, Mrs. Bess Wright.

Caps and gowns symbolize senior achievement

The senior year came too fast and goes too soon. Through four short years we have progressed. With June comes the rapid end of four years of preparation—graduation. Some will be June brides. Some will go on to school. Others are through. But for all, the goal is won. A proud heart accepts the symbol of accomplishment. Easy to forget will be the tests and exams, though they too were a part. Harder to forget some of the little things that made up the high school life—such as the Senior prom. Graduation means goodbyes and getting away from it all. All but the memories of a year that slipped away.

The prom symbolizes the highlight of the junior year

Following a carefree year of fun the spirited sophomores of '62 find themselves surrounded by new goals to be obtained. They are now one step higher—juniors, and they continue moving with definite direction. They are merely waiting to become seniors. This exalted position to them symbolizes almost the highest goal; the senior year represents leadership, new found freedom, the climax to a high school career. But while they wait, they work tirelessly to complete their many projects; the main one being to raise money for the prom.

Now that they have acquired the proper credits necessary, juniors begin to taste the accomplishment which lies around them. These are the ones to lead Litton next year.

The sophomore year symbolizes the beginning of senior high school.

In September another group of young, naive sophomores arrived on campus, and some of the upperclassmen proclaimed that the sophomores became younger and more naive each year. But these new sophomores soon made a place for themselves by joining various clubs and organizations and being elected to outstanding positions and offices. As individuals, they support and strengthen almost every campus activity by their participation. No one questions that they are real "Lions."

It has been a good year. They have made friendships that will last not only throughout their high school careers but throughout their entire lives. More important than the friendships that they have gained however, is the knowledge which will enable them to become juniors.

JUNIOR HIGH ADMINISTRATION

Mr. Doyle K. Smith, assistant principal of Litton, is a man of great integrity and truly one to be respected.

With able guidance and leadership, Mr. Smith aids the students in their first experience in high school life.

His willingness to serve as both leader and counselor have won him acclaim by the students and faculty.

Capably assisting Mr. Smith is Mrs. Helen West, secretary of the Junior High.

Her ability to keep things in the office running smoothly and orderly, as well as always being cheerful and ready to encourage the students, makes her a true asset to the school.

Students serving on the office staff are always ready to give Mrs. West a helping hand with any task throughout the day.

EIGHTH GRADE

These students are much more confident than they were a year ago. They enjoy the freedom that they are experiencing. Although each one has had his own personal problems, as a group, they have profited from them and are now ready to accept the responsibilities that will be theirs as freshmen.

SEVENTH GRADE

Entering Junior High School symbolizes both the beginning and the end. For the first time they experience the changing of classes, the mad rush in the halls, pep meetings, and various other activities. It does not symbolize the end of education, but the end of "elementary" education. At last they are in "high school."

Losing the first two games of the season, the Lion Cubs were determined to improve their record. Coached on by Charles Care, they won their next seven games and gained a position of runner-up in the Eastern Division.

Although the team did not win the Davidson County Tournament, they were presented with the Sportsmanship award. (This is certainly an honor of which each teammate can be proud.)

Scoring was evenly distributed throughout regular season, but Eddie Smith, selected to be the Eastern Division All-County team, proved to be the top rebounder and showed the most improvement in almost all phases of the game.

Again this year the Girls' Junior High Basketball team could be proud of their season's record. By winning all of the games in their district the team won the Eastern Division Championship and were presented with a trophy at the tournaments. Losing by a close margin to Antioch in the tournament broke the seventeen-game winning streak the team has held.

Joan Peyton and Janice Cook were selected for the Eastern Division All-County Team. And guard Janice was also selected for the All-Tournament team.

During the regular season the team was strong at guarding while Joan Peyton and Martha Sandy led the scorers on the team.

Coach Ed Garrett has certainly done a great job working with the girls.

CHEERLEADERS

"Let the rafters ring." You can be sure that is what the Junior High cheerleading squad wants to do during pep meetings on Fridays.

Their efforts to promote school spirit among the students and to help the Junior High teams on to victory show up during the football and basketball seasons.

The cheerleaders were chosen because of certain characteristics: ability, personality, character, and scholarship. These girls possess the qualities so necessary in representing their school.

Summary of the 1962 Season

The Isaac Litton Junior High had a highly successful 1962 season, losing only one game to Goodlettsville.

The Junior Lions season's record included two scrimage games. They opened with a 7 to 6 victory over Hillwood and then bounced Two Rivers by the same score.

Next, they stomped a scrappy East team 18 to 0 on the Lions home field. Most members of the team participated in this game. For the second year in a row, Goodlettsville was the only team able to down the Lions. It was a 7 to 0 defeat.

Litton won all its remaining games, beating Glencliff and M.B.A. and making easy work of archrivals Stratford and Madison.

The Junior High player who was selected player of the week was allowed to dress with the varsity. The Junior High players of the week were Jimmy Smartt, Aubrey Jacobs, Wesley Mitchell, Al Watson, Mike Graves, Mike Williams, Skipper Sawyers and Tyrone Cutrer.

1963 LITTONIAN STAFF

With the industrious staff members working tirelessly to present a perfect LITTIONIAN, Jeanie Martin, editor-in-chief, labored diligently to meet deadlines set before her.

Time was so short, and there seemed to be so much to do, that sometimes she wondered if the book would ever be finished.

There were many hard problems that had to be overcome as well as finding interesting ways to present the copy and layouts. There were pictures to be photographed and identified, copy to be written and proofread, and seemingly endless trips to the printer and engraver. But with the capable help of Mr. Isham P. Byrom, sponsor, many of the great problems were cut down to nothingness and seemed to disappear.

The whole staff gave a sign of relief when the LITTONIAN was finally completed. They take great pride and pleasure in presenting to you this year the best LITTONIAN yet—the 1963 LITTONIAN.

1963 BLAST STAFF

"Stories are due tomorrow everybody! So get to work"! These are some of the sounds heard coming from the *Blast* room each day during the fifth period. This hour is devoted each day to working on the school paper. But many members of the staff spend long hours after class getting the paper ready for publication.

Besides writing stories the members of the staff must also read and type copy, make-up the paper, and proof the galleys.

The *Blast* is published every three weeks during the year. The organization is a member of Columbia Press Association and the Tennessee Interscholastic Press Association.

Each year the staff sponsors the "Miss Nashville High School Beauty Contest" to raise money for the paper. This year they also sold candy to raise funds.

Editor Betty Butler and Mr. Byrom, sponsor, have made the staff feel that their long hours have been well spent. Through their efforts this year's *Blast* has been one of the best ever.

NATIONAL HONOR SOCIETY

To be a member of the Delta Tau Phi Chapter of the National Honor Society, a student must possess four qualities—character, scholarship, leadership, and service.

"I would rather have honor than honors," is the motto of this group sponsored by Miss Frances Spurlock. Membership is limited to juniors and seniors. Requirements are conspicuous achievement in the four qualities stated above, scholastic average of 2.7 for the three semesters preceding application, the approval of the faculty, and the acquirement of twenty quality credits which may be gained by participating in extra-curricular activities.

Each year the Honor Society publishes a handbook for the new students as a helpful guide in their high school life. In the spring a banquet is given for the installation of new members.

This year the Honor Society had a special project. Through a car wash, a bake sale, a fashion show, and various other activities, these students raised money to donate to the Heart Fund in honor of Miss Mary Walker, former sponsor of the organization.

JUNIOR CLASSICAL LEAGUE

Any student who has taken two years or more of Latin is eligible to become a member of the Junior Classical League, sponsored by Miss Ruth Davis. The League's purpose is to encourage among young people an interest in and appreciation of the civilization, language, literature, and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of classical antiquity.

DePRIEST SPANISH CLUB

This is the first year that the DePriest Spanish Club has been organized. The club is made up of first and second year students which are interested in adding more to their knowledge of Spanish.

The purposes of this club are to learn more about Spanishing-speaking people, culture, and habits, and to further understanding between American and Spanish-people. This club has made it possible for students to learn much more than would be possible in a classroom.

The club often has guests who speak the Spanish language. There was a Spanish dinner held during the year, where different Spanish foods were served.

Second and third year French students compose the club. At the monthly meetings the members read poems and books by famous French philosophers. A few French songs were learned. One of the greatest conveniences given to the French Club is the language laboratory which contributes to a better understanding of the French dialects.

The members have endeavored to form the basis for an even more successful club next year.

The programs have consisted of guest speakers such as insurance salesmen and workers from the Better Business Bureau. Films on how to secure a job and discussions about the different types of business positions also highlighted the monthly meetings. The project for the year was the sponsorship of a child overseas.

Under the direction of the sponsor Mrs. Moore and the president Robert Hammer, the club has endeavored to be successful in obtaining a closer view of the field of business and the qualifications for entrance into a designated occupation. The goal is to aid the student in choosing his career.

Students who are interested in becoming teachers compose the Future Teachers of America Club. At the meetings, students are given ideas of the requirements for entering the field of education.

During the school year, these students earned merit points by teaching in Sunday school classes, aiding teachers, or by taking part in a Future Teachers club program. At various times during the year the members had the opportunity to go to local grammar schools to teach for a day.

This year the project of the Future Teachers was to collect money for the Heart Fund.

Miss Marjorie DePriest sponsors this group.

To become a member of the Southern Belles, a girl must have completed at least one year of home economics.

For a project this year the girls have furnished prizes and refreshments for the women's bingo parties at Central State Hospital.

In their programs this year, the girls have learned much about beauty-care and the home. The purpose of the club is to aid its members to become better homemakers.

PROJECTIONISTS CLUB

Nothing adds more pleasure and enjoyment to our daily studies than audio-visual aid.

The Projectionists Club is composed of boys who, during their vacant period, operate the movie projectors, film strip machines, and tape recorders.

The willingness of these boys to offer their assistance is especially appreciated by the teachers.

This club is under the direction of Miss Moss.

Students who feel that Christianity is a vital factor in the lives of young people today compose the Christian Club. They make special efforts to keep their Christian standards and ideals in effect in all situations and to be of help to their fellow students and friends in any why possible, in order to further the Christian atmosphere.

This club, sponsored by Mrs. Ruby Garrett, had many projects during the year. Two of these important projects were clothing drives for "Save the Children Federation" and collecting food for needy families at Christmas.

The Letterman's Club is composed of boys who have lettered in any one of the four major sports—football, basketball, baseball, and track. During the year the boys try to create good sportsmanship and promote any worthy project in the school. Some of the lettermen can usually be seen shining trophies in the trophy case. As usual, initiations were held this year and only those who passed the rugged test were admitted into the club. A hayride was given each year in honor of the new members. It is an honor, indeed, for a boy to be a member of this fine club for it represents hours of hard work. The club is sponsored by Coach Richard Hewitt.

The purpose is to create, maintain, and extend throughout the home, school, and community the high standards of Christian character.

Each member strives to do his best in speech, manners, study, and service to his school and community.

During the year the club sponsored various money raising projects in order to meet their expenses. The expenses include a gift to the World Brotherhood, a worldwide organization for underprivileged children; and social activities throughout the year. This year the members sold candy and decals.

The motto of the club is clean speech, sportsmanship, scholarship, and ambition.

The sponsor of the club is Mr. Paul Dorris. Under the leadership of President, Pat Marshall, and other capable officers, the Hi-Y has increased its membership tremendously this year and has become one of the school's most active clubs.

To be called a gentleman is indeed an honor and these are the men who are striving to better themselves and their community by setting good examples. Their aim is to show courtesy through kind words and good deeds. The boys with the aid of their sponsor Mr. Crutchfield have hayrides and participate in other activities during the year. During January the Southern Gentlemen and the S.P.C. planned a joint assembly in which the boys provided a panel to discuss a boy's point of view concerning our present social customs.

HIGHLIGHTS OF THE '62 SEASON

The 1962 football season was marked by great wins and heartbreaking losses. It was a good season and a bad season together, but it was a season no one can forget.

On Friday, September 7, the Lions opened with an impressive 34 to 7 win over Franklin, giving promise of a fine year.

The following week the Big Blue traveled to Memphis on the trip the seniors had long awaited. Memphis Central broke a seven year losing streak by beating the Lions in a 13 to 6 heartbreaker.

The following week was perhaps the most important of the season. Before a thrill-packed crowd on Hume Marshall Field, the mighty Lions battled to a 0 to 0 tie with the Madison Rams. The Rams were ranked third in the state at the time. Litton beat Madison in practically every department but the score.

A big and tough Springfield team handed the Lions their second defeat of the season in a hard fought game 19-0.

The next three weeks were great ones. First was Homecoming, October 5. The Big Blue over AAAA rival Hillsboro 13-6.

The following week Litton romped over Donelson 25-6. The highlight was a 90 yard touchdown romp on a pass interception by Randy Ingram.

October 19 was a big night for the Big Blue as Litton handed Glencliff its first defeat of the season. Jimmy Clift roared into Glencliff's end zone on the Lions' second play from scrimmage to lead a 13-7 victory over the Colts, in the first meeting of the two schools.

For his outstanding performance against Glencliff, Jimmy Clift was named "Player of the Week." The Big Blue were now 4-0-1 in the AAAA.

The next two games proved to be crucial for the Lions. M.B.A. handed the Big Blue a heartbreaking 20-13 loss in a see-saw battle.

The game against Ryan proved even rougher. The Panthers won over Litton 20-0.

In the final game, Litton lost to East 13-7.

The final record was 4-5-1.

Although the season was considered by some to be below par, the Lions lost only 2 games in the Big Eight. The season produced games no one can forget: the tie with Madison, the wins over Glencliff, Hillsboro, and Donelson. Bill Lewis and Stanley Fish were named to the "All City" team following the season. Jimmy Clift made the "All-City" second team, and Kenneth Burnette and Larry Luttrell were given honorable mention.

This year's team was captained by Mark Byrom and Bill Lewis. Seniors who played this year were David Elliott, Randy Hunter, Ray Hunter, Jimmy Fitzgerald, Labon Tatum, Mark Byrom, Bill Lewis, Mike Foster, Stanley Fish, David Edens and Johnny Parkerson.

LITTON 34 FRANKLIN 7

Litton gained its first "Big Eight" football victory against Franklin. The energetic Lions came out fighting and didn't quit until they had rolled out over 400 yards rushing and a 34-7 score. Touchdowns were scored by Jimmy Clift, Tommy Hoppes, Kenneth Burnette, Buddy Wade, and Randy Ingram.

LITTON 6 MEMPHIS CENTRAL 13

On the Lions second outing they were beaten by a determined Memphis Central team. This was the first time a Memphis Central team had beaten Litton. Litton's only touchdown came in the third quarter on a 15 yard end sweep by David Elliott.

LITTON 0 MADISON 0

Before the largest home crowd of the season, Litton and Madison fought to a 0-0 tie. Going into the game as a 15 point underdog, the mighty lions once again rose to the occasion and played perhaps their best game of the season. Litton's defense was superb as standouts Mike Foster, Randy Ingram and Larry Lutrell held the Rams scoreless. Although both teams ended scoreless this game was a great "victory" for the Lions; they were able to hold Madison, then ranking 2nd in the state.

LITTON 0 SPRINGFIELD 19

Litton took its second defeat of the season by falling to a very fine Springfield team which lived up to its rating as a powerhouse. After taking the opening kickoff, Litton was unable to move the ball; and when the half ended, Springfield had jumped to a 13-0 lead. In the third quarter the Lions reached Springfield's 15-yard line but were unable to score as quarterback Ken Burnette's pass fell incomplete in the end zone. The Yellowjackets added another tally to their score in the forth quarter.

LITTON 13 HILLSBORO 6

The Big Blue chalked up its second league victory with a 13-6 homecoming victory over the Hillsboro Burros.

In the second period, fullback Jimmy Clift raced 64 yards to paydirt. The try for the extra point was made by John Wright. This gave the Lions a 7-0 half time lead.

After homecoming festivities, halfback Tommy Hoppes ran the kickoff 80 yards for the touchdown. Later, Hillsboro scored on a 56 yard touchdown drive.

LITTON 13 GLENCLIFF 6

In the first varsity meeting between these two big schools, Litton whipped the mighty Colts 13-6 on the opponents home field. It was the first setback for Glencliff in 7 games.

Jimmy Clift scored on the second play from scrimmage to give the Lions an early lead with over nine minutes left in the first quarter. In the second half Glencliff came tromping back with a 50-yard touchdown drive to tie the score 7-7. Then in the final period, Jimmy Clift again gave the Big Blue the lead with an 18 yard paydirt jaunt. Clift received the state "Back of the Week" award for his brilliant performance against the Big Eight leaders.

The Lions romped to a 25-6, Big Eight win over Donelson. At halftime the score was 6-0 on a touchdown by John Wright. In the last two quarters Litton pounded out three touchdowns, two by Jimmy Clift and one by Randy Ingram.

LITTON 13 M.B.A. 21

Litton lost its first Big Eight game of the year to the Big Red of M.B.A., 21-13. Plagued by injuries throughout the game Litton could not overcome three lucky M.B.A. touchdowns. Litton's two touchdowns came on short plunges by Kenny Burnette and Jimmy Clift.

LITTON 0 RYAN 20

Playing their last league game of the season, Litton was defeated by a fired-up team from Father Ryan 20-0. Led by twin brother Mike and Jim Mondelli, Ryan's offense was too powerful to be stopped by the Lions. At the end of the first half, Ryan led 7-0 on a 20 yard pass from Jim to Mike Mondelli. Ryan added two more tallies in the last half.

Ken Burnette is pushed across for touchdown against M.B.A.

Stanley Fish catches pass against M.B.A.

LITTON 7 EAST 13

Closing out the 62-63 season the Lions were upset by a high-spirited East Eagle team 13-7 on the winners' field.

By playing a superior game East broke a jinx by beating Litton for the first time in ten years. Litton's only touchdown came on a 15 yard pass from quarterback Ken Burnette to end Stanley Fish. John Wright kicked the extra point.

GIRLS' GYMNASTICS

The second year for the special gymnastics class for girls was very successfully completed. Under the supervision of Miss Ruby Bateman, this group, which consists of thirty better-than-average junior and senior gym students, has progressed rapidly in the specialized fields of trampoline, free exercise, mat work, parallel bars, and the balance beam.

At Christmas, a few members presented a play, "The Juggler of Notre Dame," featuring Beverly Shumake as the juggler. Due to its success, the play will again be given next year.

A new addition is the use of instrumental popular records to accompany free exercises devised by the students.

CHEERLEADERS

It is sometimes very easy to forget the important part the cheerleaders play in the spirit and moral of a school. When the teams are on top, their cheers are cheers of pride, and when the teams are losing, their cheers bring courage and renewed hope and energy. They stand by the players whether it be on the football field or on the basketball court.

There is more pride in being a cheerleader than can be told. A cheerleader, when she cheers, has a warm feeling in her yells as she loves the school and the school spirit which is her job to keep high. The cheerleaders and the squad may well be referred to as the crutch of all athletics.

Steve Parker | Wynn Sircy | Steve Briggs | Ronny Pettus | Tommy Hoppes

One of Litton's most popular spring sports is baseball. The team coached by Charles Care is looking forward to another successful season.

The pitching chores this year are handled by Kenneth Burnette and Steve Parker, returnees from the 1962 team which compiled a 5-3 record. This returning pitching staff is bolstered by Larry Griggs, Steve Briggs, and Dickie Lish. At the other positions one finds: 1st base, Wynn Sircy; 2nd base, Jimmy Andrews; shortstop, Ronnie Pettus; 3rd base, Tommy Hoppes; catcher, Randy Ingram; right field, John Wright; left field, Jerry Ballou; center field, Dickie Lish; left field, Kenneth Burnette; and of course that element which no team can do without, the utility men—Richard Lampkin, John Driver, David Comperry, Thomas Edging, Larry Luttrell and Jay McDonald.

This squad of talented athletes has given Litton high hopes for another very good baseball season.

Eight returning members of last year's team which finished fourth in the NIL are Captain, Ted Oliver, Steve Stewart, Milton Sweeney, Jack Brown, David Baggott, Paul Goldberg, Larry Huey, and Mike Howell. These give Litton an excellent opportunity for another high finish. This year's team was coached by John Younger.

TRACK

Spring brought out the Litton thinclads, looking forward to another successful season, with a possibility of a District Championship. The season started early with a trip to the Chattanooga Relays where the sprinters showed speed and the distance men showed endurance. Sprinters Mark Byrom, Labon Tatum, and David Elliott are veterans of last year's 440 and 880 Regional Championship relay teams. Other stand-outs who have looked strong early in the year were Kenneth Armstrong, Bill Spinning, Bobby Petty, and Stanley Fish.

The events and their participants for the 1963 season were: high hurdles—Arthur Klein; 100 yard dash—David Elliott, Jerry Ballou; mile run—Ken Armstrong; 880 yard relay—Labon Tatum, Mark Byrom, David Elliott, Jimmy Fitzgerald; 440 yard relay—Jerry Ballou, Labon Tatum, Mark Byrom, David Elliott; mile relay—Labon Tatum, Jimmy Fitzgerald, Kenneth Armstrong, Mark Byrom; two mile relay—Milton Hathcock, Tommy Halliburton, Bobby Petty, Bill Spinning. Field events: broad jump—Labon Tatum, Jerry Ballou; discus—Wayne Phelps, George Card; shotput—Jerry Emison, Jimmy Clift; pole vault—Bobby Petty, Stanley Fish; high jump—Logan McCord, Stanley Fish.

The thinclads first meet was a success as they downed BGA in a dual meet; the next clash showed the Lions outscoring arch rivals Madison and Goodlettsville in a triangular meet. In the season's third outing the cinder pounders traveled to Key's Stadium where they were outscored 79-54 by the always powerful East team.

In addition to the regular season meets, the team, under the direction of Coach Richard Hewitt, is looking forward to the *Banner* Relays, and the district meet.

HOMECOMING

1962

CONNIE DICKENS

As always the half-time ceremonies at the homecoming game will be long remembered by Isaac Litton students and especially by the girls in the court.

In shining convertibles, driven by their escorts, the five lovely girls arrived on the football field. As the queen and her royal court walked through an arch made by the majorettes, the band, in heart shape, played "Sweetheart." The ceremony was climaxed by the drum major as he bestowed the traditional "crown and kiss" on the queen.

The girls, adorned in beautiful gowns, approached the stadium escorted by the boy attendants of the court. The royalty walked to the center of the heart formed by the band to the tune of "Pomp and Circumstance." There the crowning took place. All senior members of the band were recognized for a job well done.

TOP TEN BEAUTIES

Ten girls were chosen from the student body as Litton's "Top Ten Beauties." These girls were presented during an assembly and from these, Miss Litton, Pam Carr, was chosen by the students.

Ten handsome boys were also chosen as Mr. Litton candidates. These boys were selected on the basis of good looks and personality. From this group, Joe Carter was chosen as Mr. Litton. He escorted Miss Litton at the Annual Miss Nashville High Beauty Contest, where she was chosen as Second Runner-up and Miss Congeniality.

To represent Litton at the annual Clinic Bowl game, a girl is chosen by the student body as Clinic Bowl Queen. She is presented at the annual Clinic Bowl Ball and recognized during halftime of the annual ball game. Pam Carr was Litton's representative this year.

Civitan Medalist--PAUL GOLDBERG

The Civitan Medal is one of the highest honors that can be bestowed upon a Litton boy. Paul Goldberg was chosen for this honor by his fellow students after having been nominated by the Civitan-Civinette Club members and approved by the faculty. This medal is given annually to the boy who in the opinion of the senior class has displayed the best school citizenship.

D. A. R. Medalist--BETTY BUTLER

The D.A.R. Medal, which is presented at graduation, is of equal importance to the Civitan Medal. Betty Butler was chosen for this medal which is given annually by the Daughters of the American Revolution. In the opinion of the faculty, Betty proved herself to be the best girl citizen in the Senior Class of 1963.

SENIOR PLAY

This year's Senior Play "The Magic Touch," was a great success. Leads were played by Carla Brundige, Ray Hunter, and Judi Draper, as Bobbette, a tomboy who was transformed into a refined young lady. The play was under the direction of Mrs. Mary Jane Miller and Miss Mary Francis Spurlock.

JUNIOR-SENIOR PROM

"The Lost Horizon" was the theme of this year's prom which took place on April 5. Tommy Knowles Orchestra played for the annual affair which the hard-working juniors presented for the graduating seniors. At intermission Connie Dickens and Eddie Hill were crowned Queen and King.

Juniors and Seniors register for the big affair.

This year a great honor has been bestowed on Litton and on one of our outstanding seniors. Betty Butler has been named the winner of a National Merit Scholarship. To be one of 1,200 chosen from the 600,000 who originally took the test is indeed an accomplishment. She is planning to use her award at Agnes Scott College, where she will major in political science. Betty is a well-rounded and outstanding person who this year is D.A.R. medalist, editor of the *Blast,* and "Most Intellectual" in the senior class. Congratulations to Betty a symbol of success!

SYMBOLS OF OUR LIFE AT LITTON

Shining symbols of our high school days hang in our minds
Like lovely sterling charms on tiny silver chains.
The most precious charm is different in each case, but every chain contains
A football pennant, a trophy won, and several kinds
Of school club emblems, honors earned, and discs inscribed with dates.
The white diploma and tasseled cap complete what each commemorates.

Our class rings symbolize the past four years we've spent
Enrolled as students bound to leave in 1963.
That year, the rings so proudly claim, is our own year of jubilee.
Four years have gone, we wear the rings, and in the ornament
We see the days of fellowship circled in a curve of gold.
All the joys those years brought us the golden rings have told.

The story of our high school life is printed in a book:
The records of the big events, the pictures of our high school friends,
The products of our mental work, and side line dividends,
All neatly bound between the covers of a lovely memory book.
Achievement and ability are symbolized on every page.
And what this senior class has done no instrument can gauge.

The final symbol of our high school days has yet to be defined.
Ahead of us are many years in which to seek the key
That will unlock the door of life and solve this mystery.
What we do and how we live will someday be combined
In one last shining symbol of the high school days gone by
The days we spent as students at Isaac Litton High.
